Marriage is Terence McCormack's first solo exhibition at Roland Ross. *Marriage* includes *Intermittents*, is a series of photographs that document the use of a catheter over the course of a year-long illness. These photographs are presented alongside *Coverings*, which comprises collected furniture and polyester fabric. *Hothouses* is a vertical split-stack slideshow of 160 black-and-white photographs that includes images in a studio-lit formicarium and hand-held images of ants in a natural habitat.
